

FORGETNOTHING

Mireia Cano, Felipe Gómez, Raúl Fernández

Objectives

- Don't forget anything at home.
- The app tells you what to bring there. Different options depending on the:
 - Weather
 - Place
- Android mobile app.

How it works

- Introduce the place you go
- Days being at
- Special tips

ForgetNothing

*Do you have a trip?
Lets prepare your luggage!
This time, you will forget NOTHING*

WHERE ARE YOU GOING?

📍 Barcelona

DAYS YOU ARE OUT?

🕒 5

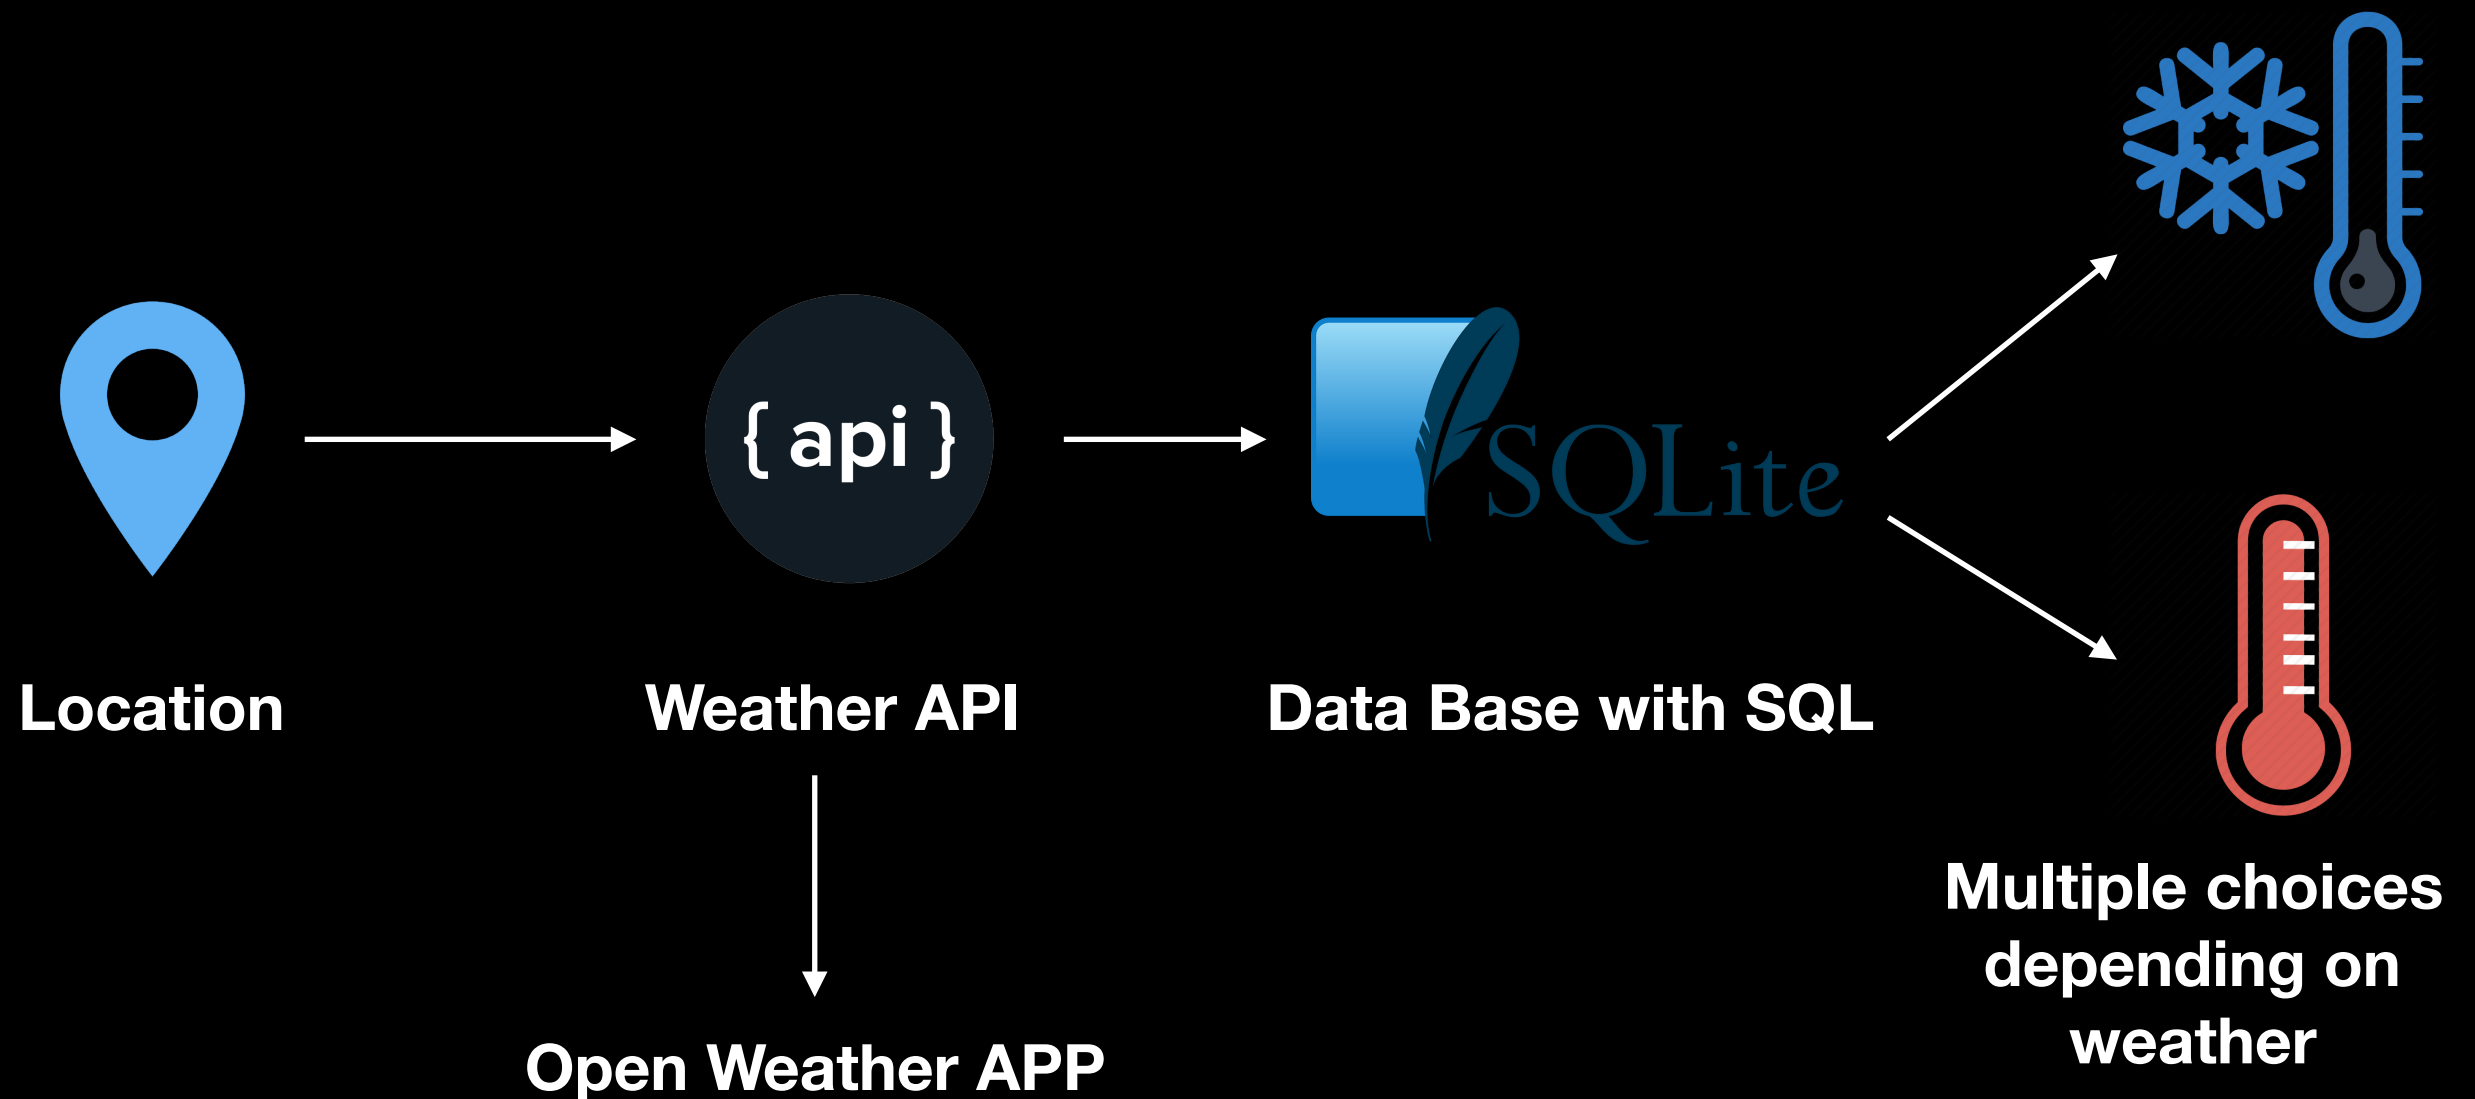

Anything special about that trip?

☐ Beach

☒ Mountain

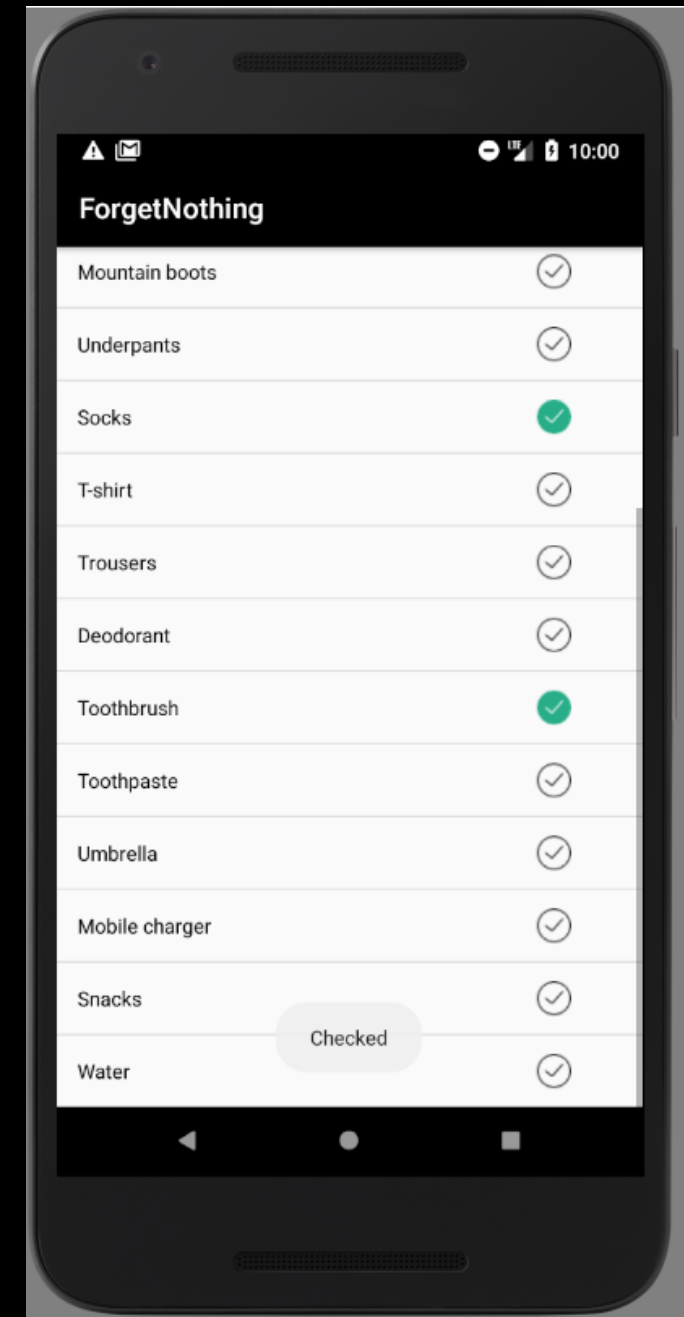

SUBMIT

How it works

How it works

- Weather API returns the temperature for the days that you introduce.
- The app has many ranges of clothes depending on the temperature and weather conditions.

Thank you!
